

## Perriam & Partners 2011 Annual Staff Awards

On Friday 13<sup>th</sup> May 2011 Perriam & Partners had their 4<sup>th</sup> Annual Staff Awards. This year the location chosen by the staff was The Running Bull, in Riccarton.

It's a black tie event, anything else wouldn't do justice to the efforts put in over the last year by all our staff nominees and eventual winners of the categories.

This year there were 23 awards, 10 of which are voted solely by the staff. The awards evening and selection of winners is very much based on how the Halberg Awards are conducted, so you can see the importance we place on these.

This year the 10 main categories which were voted on and where each category winner qualified for the title of Employee of the Year:

	<u>Winners</u>
1. Admin person of the year.	<b>Sam</b>
2. Supporter of the year (support personnel of the year).	<b>Sally Evans</b>
3. The "H" award (the most helpful employee "rain, hail or snow" – on a good day, bad day or normal day)?	<b>Sally Evans</b>
4. The players player	<b>Ben</b>
5. Tackler of the year (employee prepared to take on anything with the least amount of fuss).	<b>Connie</b>
6. Best work dresser award – Female + Male	<b>Jean-Marie/ Euan</b>
7. Side step of the year.	<b>Rosalie</b>
8. If you were washed up on a desert island which employee would you most like to be washed up with, and why?	<b>Janette</b>
9. Best all-round "Account-lete". That employee who you think could best, if necessary, do every position in the firm.	<b>Karen</b>
10. The employee whom you think would crawl over broken glass, battle snowy blizzards and negotiate flooding roads just to get to work.	<b>Sally Evans</b>

Following the announcement of the category winners, along with some novelty categories, such as the staff member who won a year's subscription to a Nudist Camp, or the employee who frequented the "snack box" the most during the year, came the big one.

As the spotlight shone down on her and the theme to Eye of The Tiger played the announcement was made that this year the Perriam & Partners Employee of the year went to **Sally Evans**. Sally walked away from the evening with not only the prize trophy, but prizes to the value of \$1,200.

Thanks to all the staff, their partners, all nominees and award winners for a great night.
