

BEN JACKSON

What was your favourite subject at school?

History—It helped having a teacher who demonstrated his passion for the subject and enjoyed the subject he was teaching.

Where is your favourite place in New Zealand and why?

Out in the wilderness—in a national park somewhere, admiring the scenery, enjoying the fresh air and) hopefully) sunshine. Sawcut Gorge is a great example.

What's your favourite season?

Winter - it never gets too hot, and it gives you an excuse to sit in front of a fire somewhere.

What are your main interests outside of work?

Avid sport watcher, keen mountain biker, enjoy spending time with family and travelling.

The best thing about accounting is...

Being able to help some clients with their dreams—with businesses where they devote so much time and energy.

I know it's going to be a good day when.....

All the lights are green. The little things make a big difference.
