

# SALLY EVANS

What were your favourite subjects at school?

*Maths and Art – maybe I should take up creative accounting.*

Where is your favourite place in New Zealand and why?

*I have so many ...*

*Arorantown - for a lovely day out ...*

*Cardrona – in the summer for a cold drink in the beer garden or in the winter for a red wine by the fire.*

*Lake Pukaki – When you are driving south and turning the corner, the hills disappearing and the lake and Mount Cook just take over!*

*And of course Canterbury - to come home to family and friends.*

What's your favourite season?

*SPRING... always spring ...and the possibilities that it brings ...*

What are your main interests outside of work?

*I like Pina Colada's and getting caught in the rain ...*

*I'm not much into beath food, I am into champagne ...*

The best thing about accounting is...

*That it is logical and makes sense and there's always a reason if it doesn't (well hopefully!)*

I know it's going to be a good day when.....

*I get to sleep in ...*
